ABOUT SHREE RAM METAL

'Shree Ram Krupa' a visionary and pioneering organization in Architectural Hardware was established in the year 2012, with a passion to create something unique and made with world class technology. Now, 'SRK' stands at the forefront of manufacturing Architectural Hardware, in India and moreover, has become a brand synonymous with security, trust, innovation and integrity.

'SRK' stands tall as one of the leading players in the industry, as the preferential supplier of a range of products for styling homes, offices, hotels, hospitals etc. Moreover, what has been the biggest achievement for 'SRK', is the fact that SRK's vast customer base (existing & prospective) consider 'SRK' as their provider of ultimate security.

As a manufacturing body, 'SRK' is famous for its sophistication and creativity and insists on deep craftsmanship and innovation... the ideologies that play pivotal role in building Brand's identity of a superior and efficient designer and manufacturer of Hardware Accessories in India.
