

# STEELING YOUR HEART AWAY

**Evershine®**  
Innovative Kitchen Solution S.S. 304

Kitchen is an integral and indispensable unit of any home. Kitchen has not remained a mere isolated place for cooking now. Concept of beautiful and well managed kitchen has been growing day by day. Like any other unit of the house, a well managed kitchen also includes the optimum utilization of the space which unavoidably requires proper and convenient storage facilities created with the ever lasting, stylish and intelligently designed accessories.

Striking a balance between beauty and utility here we bring you the solution with "EVERSHINE" the sensuality of stainless steel at its aesthetic best in household utilities. "EVERSHINE" was established 15 years ago in SURAT one of the fastest growing city INDIA & after all the hard work now "EVERSHINE" has become a reputed company that has earned goodwill in the market across the whole nation.

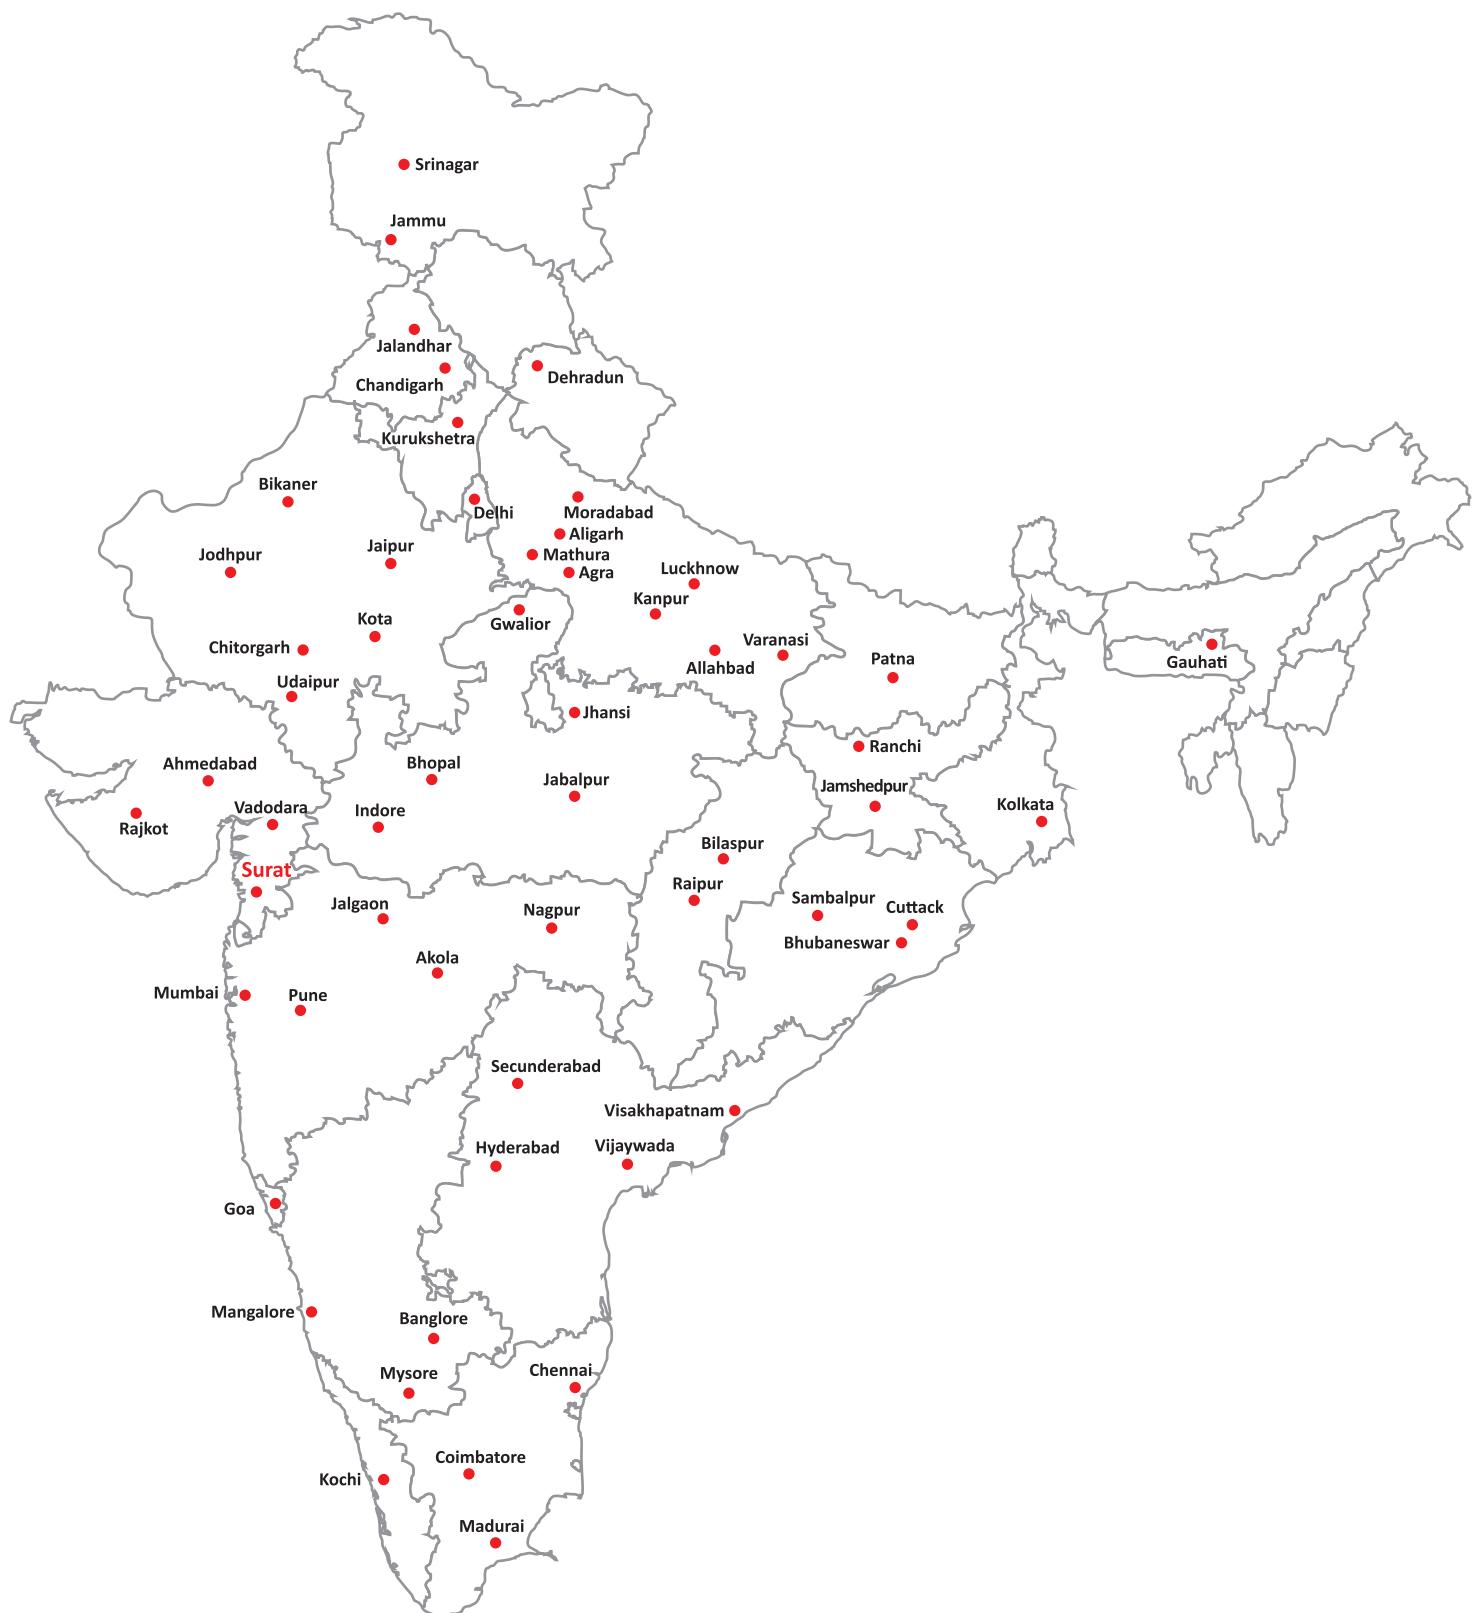

All products are factory made from best quality AISI 304 grade stainless steel finishing with Nickel plating enhances the glamour and durability of the products. Each element is meticulously designed after extensive R & D work. All the operations of manufacturing process are carried out under strict supervision. All units come in a knock down condition for quick installation as per approval designed requirement and can be added in parts or can be expanded as the need arises.

The infrastructural setup of "EVERSHINE" is flawless and having all the required facilities to ensure smooth and uninterrupted production. The workforce includes highly skilled and dedicated employees. All the operations are completed in the factory building only "EVERSHINE" is an ISO 9001 2008 certified company.

"EVERSHINE" is represented in more than 250 outlets across the country. Each outlet is having the full range of the products to enable the timely supply of the required product. So now if you plan on becoming chic and classy it is time to welcome a showstopping new dimension in household accessories with "EVERSHINE" stainless steel utilities and let your kitchen compliment the elegance of your living room.

Finally and above all, constant increase in demand and goodwill of the customers since 15 years is itself and undeniable proof of the highest quality.
